BIRTHDAY BLAST: A CELEBRATION OF LIFE!

The kids, volunteers and leaders will be excited to sing and dance to these **fun and catchy** action songs. These high-energy songs tie-in nicely with the daily themes and virtues.

Note: Be sure to share the theme connection each day.

These songs will help kids learn more about the beauty of God's creation in our surroundings, and in each other. Kids will enjoy the lively movements and will look forward to attending this music session daily!

The kids will learn 2 action songs each day.

Each song is approx. 2-3 minutes long; therefore you will have enough time to repeat the songs until you see that the kids are familiar with them. Each session could begin with the

Theme Song: Who Am I.

The music team should watch the DVD beforehand to become familiar with the actions for each of the songs.

If time allows, in the last 5 or 10 minutes of your session, you could play the extra fun activities that are found on the last page of this guide.

Give a copy of the Birthday Blast VBS Music CD or DVD as a gift to each family to take home and learn the songs.

You may also choose to print or photocopy the song booklets (see *Reproducibles* or *USB Flash Drive*) for the lyrics to the songs and distribute them to the kids.

Guitar Chords, Piano Sheet Music and PowerPoint are available on the USB Flash Drive which is included in the Cat.Chat VBS kit.

Preparation for the Birthday Blast Party (Closing Assembly)

It would be great to have the children sing and perform action songs at the Closing Assembly and/or Closing Mass. You may want to select a couple of different songs from the week for each group to perform at the Closing Assembly.

The kids will have opportunities to review some of the songs at the Daily Opening and Closing Assembly.

Day 1

Theme: DISCOVER LIFE!

Virtue: Appreciation

Action Songs:

Who Am I (length 2:19)

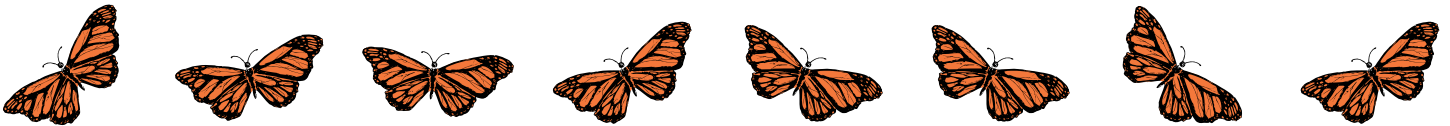

Alive in You (length 2:35)

Theme Connections:

Who Am I is our VBS theme song of the week.

God, the maker of the universe, created each one of us in His image and likeness. We are God's children; beautiful and wonderfully made. He created us to know, love and serve Him hoping that one day we will be with Him in heaven. God has an amazing purpose and plan for each of our lives. The more we get to know God, the more we'll discover His plan.

Alive in You reminds us to appreciate the glory of God working within us. We need to remember to invite Him into each and every moment of our day. He wants to be a part of everything we do, and that's what will help us discover what it means to be fully alive!

Day 2

Theme: RESPECT LIFE!

Virtue: Respect

Action Songs:

Pure (length 2:40)

I Will Dance (length 2:38)

Theme Connections:

Pure is a song that encourages us to see the beauty in ourselves and others. Each person was created in the image of God, and He loves each one of us as His beloved child. When we learn to live out this truth, we're able to respect the beauty in each and every person. So whether we are male or female, we're all called to keep a pure mind and heart.

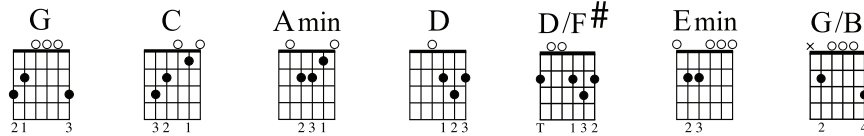

I Will Dance is an upbeat song to remind us that we're always called to live in the joy of the Lord. Part of living a life of joy means standing up for the Gospel message to RESPECT life. God will always give us the opportunities to speak up, but it's up to us whether we will stand up for life! When the time comes, God will give us the graces we need to stand up for the truth with joy in our hearts.
